RESUME

I am currently a third-year student majoring in Computer Science at Ton Duc Thang University. After a period of studying at the university and working on personal projects, I have gained knowledge in Html, Css, Javascript, TypeScript, NextJS, NodeJs, and more. Currently, I am seeking an fresher position in Web development to further develop my skills. In the future, I plan to leverage my abilities to contribute to the growth of the company if I am selected to join your team.
